

4 Day Sanya Cycle Tour

Hainan 4 day Bike Tour, Sanya to Central Hainan.

This bike tour is suited to those who want a shorter cycling trip in Hainan. You could add this tour to part of a longer tour around China/SE Asia. It is also suited to expats, see below.

Information for Expats working in China

If you are an expat working in China, you could fit this tour into a long weekend: Fly to Sanya on Thursday after work, spend Friday, Saturday, and Sunday cycling and fly back on Monday. You could even fly back on Sunday evening in time for work on Monday if necessary (if you want to fly back on Sunday evening let us know and we will adjust the price for you).

Day 1: Arrival in Sanya

Day of arrival. Your guide will meet you at the airport and check you into your hotel in Sanya. You will have your first meal together in the evening, during which you can learn about the upcoming tour.

(Dinner and hotel included)

Day 2: Sanya to Wuzhishan Early morning we will drive out towards Wuzhishan in central Hainan. This is one of the most beautiful parts of Hainan and is an ethnic minority region. Expect to see dramatic river gorges, tropical farmland, waterfalls, thick jungle, and local minority people about their daily business. You will explore the area by bicycle and have the option to hike around the rainforest of Wuzhishan Mountain, or

raft down a mountain river.

(Breakfast, lunch, dinner and hotel included)

Day 3: Wuzhishan to Baoting

Cruise down the twisting 9 km descent from Wuzhishan town towards Baoting Li and Miao Autonomous County (The Li and Miao are the 2 largest minority groups in Hainan). You will see evidence of these local minorities in Baoting

Town's architecture.

Cycle past Baoting Town and you will arrive near the base of Seven Fairy Mountain. The road has little traffic and is in excellent condition. Along the way you'll see many betel nut plantations and authentic villages. We arrive at our hotel and you can relax and soak in a landscaped outdoor hot-spring pool fed from the natural mountains springs.

(Breakfast, lunch, dinner and hotel included)

Day 4: Baoting to Sanya

Cycle the quiet, gently rolling road from Baoting eastwards and then south through some fantastic rural countryside.

Along the way you can explore the waterfalls and go swimming in spring water streams. In the afternoon you have the option of visiting Monkey Island, or continue cycling back to Sanya.

(Breakfast, lunch, dinner and hotel included)
