

Hainan Adventure Cycling Club

Hainan Adventure Cycling Club is a meeting place for Chinese and ex-pats to share their interests in cycling and exploring China. Soon the club is hosting a shared cost bike trip starting from Sanya, in the south of Hainan. We will explore the surrounding rural countryside by bike. This area is really beautiful and has both beach and mountain landscapes. The club will help organize the trip and the cost is shared equally by all cyclists.

Come back soon to view full details.
